**SUBJECT:** Supplemental Voting System

**REBECCA MARTINEZ**, County Clerk-Recorder & Registrar of Voters is reminding voters that Madera County has a supplemental voting system. This supplemental voting system provides voters with disabilities the opportunity to cast their ballot privately and without assistance.

Voters have the option of listening to instructions and ballot options with headphones or may navigate and cast a ballot by using highly sensitive tactile switches.

This equipment accommodates voters with limited proficiency in English by providing the ballot and instructions in Spanish.

Equipment will be available for use in the County Clerk-Recorder's office and at each polling location in the county on Election Day.
