SUBJECT: Sample Ballot Mailing Notification

REBECCA MARTINEZ, County Clerk-Recorder & Registrar of Voters announced today that Sample Ballots for all registered voters in Madera County will be mailed on September 25, 2014.

Sample Ballots contain important information relating to the election, candidates, measures, and indicate the voter's polling place location. Using the sample ballot to pre-mark choices helps save you time at the polls on Election Day.

Voters now have the option to decide how they receive their sample ballots. If you would like to help save taxpayer dollars, you can choose to stop receiving your sample ballot by mail and "Go Green".

Voters who "Go Green" will automatically receive their sample ballots electronically by email. If you would like to change how you receive your sample ballot, simply visit www.votemadera.com and click "Go Green".
