TOP TWO CANDIDATES OPEN PRIMARY ACT

In 2010, voters in California approved Proposition 14, which created the “Top Two Candidates Open Primary Act.” This act changed how contests are referred to and recognized on the ballot. The Act created “**Party-Nominated**” offices, “**Voter-Nominated**” offices and “**Nonpartisan**” offices.

Pursuant to Elections Code Section 337, the following are Party-Nominated offices:

President/Vice President of the United States

Under the California Constitution, political parties may formally nominate candidates for party-nominated/partisan offices at the Primary Election. A candidate so nominated will then represent that party as its official candidate for the office in question at the ensuing General Election and the ballot will reflect an official designation to that effect. The top vote-getter for each party at the Primary Election is entitled to participate in the General Election.

No voter may vote the ballot of any political party at any Primary Election **unless** he or she has disclosed a preference for that party upon registering to vote **or** unless he or she has declined to disclose a party preference **and** the political party, by party rule duly noticed to the Secretary of State, authorizes a person who has declined to disclose a party preference, to vote the ballot of that political party. (Elections Code § 9083.5)(a).

Pursuant to Elections Code Section 359.5, the following are Voter-Nominated offices:

United States Senator, US Representative in Congress, Member of the Assembly

Under the California Constitution, political parties are not entitled to formally nominate candidates for Voter-Nominated offices at the Primary Election. A candidate nominated for a Voter-Nominated office at the Primary Election is the nominee of the people and not the official nominee of any party at the following General Election. A candidate for nomination or election to a Voter-Nominated office shall have his or her party preference, or lack of party preference, reflected on the Primary and General election ballot, but the party preference designation is selected solely by the candidate and is shown for the information of the voters only. It does not constitute or imply an endorsement of the candidate by the party designated, or affiliation between the party and candidate, and no candidate nominated by the qualified voters for any Voter-Nominated office shall be deemed to be the officially nominated candidate of any political party. The parties may list the candidates for voter-nominated offices who have received the official endorsement of the party in the sample ballot.

All voters may vote for any candidate for a Voter-Nominated office, provided they meet the other qualifications required to vote for that office. The top two vote-getters at the Primary Election advance to the General Election for the Voter-Nominated office, even if both candidates have specified the same party preference designation. No party is entitled to have a candidate with its party preference designation participate in the General Election unless such candidate is one of the two highest vote-getters at the Primary Election.

Under the California Constitution, political parties are not entitled to nominate candidates for Nonpartisan offices at the Primary Election, and a candidate nominated for a Nonpartisan office at the Primary Election is not the official nominee of any party for the office in question at the ensuing General Election.

Pursuant to Elections Code Section 334, the following are “Nonpartisan” offices:

Judicial, School, County, Municipal

A candidate for nomination or election to a Nonpartisan office may NOT designate his or her party preference, or lack of party preference, on the Primary and General Election ballots. The top two vote-getters at the Primary Election advance to the General Election for the Nonpartisan office.

Filing Fee or Signatures in Lieu of Paying Filing Fee

FILING FEE: The non-refundable filing fee is payable to the Secretary of State, and must be paid at the time the candidate obtains the nomination forms. The filing fee is \$1,001.13 (= to 1% of annual salary of \$100,113.00).

SIGNATURES IN LIEU: A candidate may submit petitions containing signatures of registered voters to cover all, or any pro-rata portion, of the filing fee. The Petitions in Lieu form may be obtained from any county elections official beginning **January 1, 2016***. The petitions must be filed with the county elections official in the county where circulated no later than the close of business on **February 25, 2016**, and prior to obtaining a Declaration of Candidacy. Supplemental signatures (to replace signatures filed by February 25, 2016 which were found not to be valid) may be filed no later than the close of business on March 11, 2016. Circulators of an in-lieu petition must be 18 years of age or older. Any registered voter may sign an in-lieu petition for any candidate for whom he/she is eligible to vote.

NOTE: The Secretary of State's office cannot accept Petitions in Lieu as they have no way to verify signatures.

(Elections Code §102, 8103(a)(3), 8105, 8106, 8061)

NOMINATION DOCUMENTS AND PROCEDURES

NOMINATION PETITIONS: Each candidate is required to file Nomination Petition between **February 15, 2015 and March 11, 2016***, containing at least 40 and no more than 60 signatures of registered voters in the jurisdiction. Signers need not be registered voters who disclosed a preference for any party when signing candidacy papers for a candidate seeking nomination to a voter-nominated office.

¹ Article IV, section 2(c) of the California Constitution requires 1 year of residency in the legislative district and three years of residency in California; however, it is the legal opinion of the Secretary of State's office that these provisions violate the U.S. Constitution and are unenforceable.

All signers must be registered voters in the district or political subdivision in which the candidate is to be voted on. Nomination Petitions shall be delivered to the county elections official of the county where circulated, not later than the close of business on March 11, 2016. Circulators must be 18 years of age or older. **NOTE: Signatures submitted in lieu of paying the filing fee, which meet the requirements of this section, may be designated to satisfy this requirement.**

(Elections Code §8020, 8061, 8062, 8063, 8068)

DECLARATION OF CANDIDACY: Each candidate is required to file a Declaration of Candidacy between **February 15, 2016*** and **March 11, 2016**. The Declaration shall be obtained from the county elections official of the county in which the candidate resides and is a voter. The Declaration of Candidacy must be executed in the office of the elections official unless the candidate, in a written statement signed and dated by the candidate, designates a third party to obtain the Declaration from the county elections official and deliver it to the candidate. Such written statement shall state that the candidate is aware the Declaration must be properly executed and delivered to the county elections official from whom it was obtained not later than the close of business on March 11, 2016.

If an incumbent, eligible to be elected, fails to file a Declaration of Candidacy by the close of business on March 11, 2016, any person, other than the person who was the incumbent on March 11th, may file a Declaration of Candidacy not later than the close of business on **March 16, 2016**.

Statements are confidential until nominations, or extended nominations for that office, close.

(Government Code §85601, Elections Code §13311)

MISREPRESENTATION IN STATEMENT: Any candidate in an election (including an incumbent in a recall) who knowingly makes a false statement of a material fact in a candidate's statement prepared pursuant to Elections Code Section 11327 or 13307, with the intent to mislead the voters, is punishable by a fine not to exceed one thousand dollars (\$1,000.00).

Elected and appointed officials must file a Statement of Economic Interests within (30) days after assuming office; annually by April 1 of each year; and within (30) days of leaving office. Under certain conditions, the Statement of Economic Interests need not be filed if such a statement was filed within (60) days prior to the filing of a Declaration of Candidacy or the date of assuming office.

(Government Code §87300 et seq.)

VOLUNTARY CODE OF FAIR CAMPAIGN PRACTICES - *OPTIONAL*: At the time an individual files his or her Declaration of Candidacy, Nomination Petition, or any other paper evidencing an intention to be a candidate for public office, the county elections official shall give the individual a copy of the Code of Fair Campaign Practices and a copy of the provisions of Chapter 5, Division 20 of the Elections Code.

INCOMPATIBILITY OF OFFICES

The Political Reform Act does not prohibit any officeholder from holding multiple public offices or seeking more than one elective office. For example, a deputy district attorney can hold the office of city council member, or a water board director may also be elected to a park and recreation district. There are, however, instances of holding more than one office that are considered incompatible.

There is no single statute that defines “incompatibility of offices”. The common law doctrine of incompatibility of offices, however, prevents an elected official from holding two offices simultaneously **if the offices have overlapping and conflicting public duties.**

The courts have defined the concept as follows: “One individual may not simultaneously hold two public offices where the functions of the offices concerned are inherently inconsistent, as where there are conflicting interests, or where the nature of the duties of the two offices is such as to render it improper due to considerations of public policy for one person to retain both”.

The State of California Attorney General’s Office has issued many opinions of particular compatibility questions. Here are six examples of **incompatible** offices:

1. The offices of city councilman and school district board member where the city and the school district have territory in common;
2. Fire Chief of a County Fire Protection District and member of the Board of Supervisors of the same county;
3. High School District Trustee and Trustee of an Elementary School District which is wholly within the geographic boundaries of the high school district;
4. Water District Director and a City Council member;
5. Water District Director and a School District Trustee having territory in common; and
6. Deputy Sheriff and County Supervisor.

If you have a question about whether two public offices which you hold or seek to hold would be considered incompatible, contact the Attorney General’s office at (916) 324-5437 or visit their website at www.caag.state.ca.us. For more information about conflict of interest or incompatibility of offices, contact the Fair Political Practices Commission at 1-800-275-3772 or at www.fppc.ca.gov.

STATEMENT OF QUALIFICATIONS GUIDELINES FOR VOTER-NOMINATED LEGISLATIVE OFFICES

CANDIDATE INFORMATION

Important notice to candidates in legislative districts that encompass more than one county: Procedures, requirements, fees, formats and public examination periods for candidates' statements may vary between counties. It is the candidate's responsibility to contact each county (in which he or she wishes to have a statement printed) within the district to obtain the appropriate information from each county. Failure to do so may jeopardize the printing of the candidate's statement.

The text of the statement shall not exceed 250 words.
Word count standards shall be pursuant to Elections Code Section 9.

All statements must be submitted on, or attached to, the form provided by the county election official of each county in which the candidate wishes to have his/her statement printed. Statements must be formatted pursuant to the guidelines provided by each county. Statements not submitted in the appropriate format will be reformatted by the county election official. The county election official bears no responsibility for the correct typesetting of statements that must be reformatted.

Statements shall not, in any way, make reference to other candidates for office or to another candidate's qualifications, character or activities. Moreover, no statement shall contain any demonstrably false, slanderous or libelous statements nor any obscene or profane language.

The statement will be printed in languages required by the Voting Rights Act as well as those languages, if any, required by the counties within the jurisdiction. If Spanish is not a required language, a candidate may request a Spanish translation of his/her statement at additional cost.

FILING INFORMATION

Candidate's statements shall be filed in the office of the election official of each county within the district in which the candidate wishes a statement to be printed, not later than 5:00 p.m. on the 88th day prior to the election, or in the event that the nomination period has been extended, until 5:00 p.m. on the 83rd day prior to the election. Candidates' statements are confidential until the expiration of the period for filing such statements. Statements may be withdrawn, but not changed, until 5:00 p.m. of the next working day after the 88th or 83rd day prior to the election, whichever is applicable. *It is strongly recommended that the statement be filed personally by the candidate. If the statement is filed by someone other than the candidate, that person should have the authority to make corrections or deletion to the statement in the event that errors or an excess number of words are detected prior to filing the statement. Statements received by mail prior to the deadline will be filed provided that they meet the statutory requirements and county policies regarding candidates' statements. Statements may not be changed after filing.*

Counties may require candidates to deposit the estimated cost of printing the statement at the time of filing the statement or may invoice the candidates for the actual cost of printing the statement after the election. If the actual cost of printing the statement exceeds the deposited amount, the candidate will be invoiced for the remainder of the cost. If the actual cost of the printing the statement is less than the deposited amount, the candidate will receive a refund of the overpayment.

Candidates' statements are available for public examination in the county election officials' office 10 days prior to submission for printing. During this period any voter of the jurisdiction in which the election is to be held, or the county election official, may seek a writ of mandate or an injunction requiring any or all of the material in the statement to be amended or deleted. Venue for such a proceeding shall be the county in which the statement is filed. If the statement is filed in more than one county, the writ or injunction must be sought in each county in which the amendments or deletions to the statement are sought.

STATEMENT OF QUALIFICATIONS GUIDELINES

- Statements of Qualifications are optional and, unless otherwise determined by the governing body, are printed at the expense of the candidate. Candidates are required to prepay the estimated cost. Estimated costs for the statements are based on the printer's price list and the number of registered voters in the jurisdiction.
- As required by law, all statements printed in Madera County shall be printed in both English and Spanish.
- Statements shall be submitted on, or attached to, the form provided (see sample on page 29).
- Statements are preferred to be typewritten and single spaced in block paragraph style.
- Be accurate. **Documents will be printed as submitted. SPELLING, PUNCTUATION, AND GRAMMATICAL ERRORS WILL NOT BE CORRECTED BY THE ELECTIONS DIVISION.**
- **DO NOT USE ALL CAPS.** Statements will be rejected if they are typed in all capital letters or if a hand printed statement is difficult to read.
- Words in ALL CAPITALS, *italics*, underlines, **boldface** type, *****stars*****, etc are prohibited.
- Bullets are allowed, however, are reformatted to fit size restrictions, if necessary.
- Statement shall be written in the first person (e.g., "I am running..." not "She is running..." or "Jane Doe is running..." and shall be limited to a recitation of the candidate's personal background and qualifications. Each statement contains a Declaration under penalty of perjury, declaring that the information contained is true and correct.

It is the ultimate intent of the Legislature that every candidate for public office in this state who subscribes to the Code of Fair Campaign Practices will follow the basic principles of decency, honesty, and fair play in order that, after vigorously contested, but fairly conducted campaigns, the citizens of this state may exercise their constitutional right to vote, free from dishonest and unethical practices which tend to prevent the full and free expression of the will of the voters.

The purpose in creating the Code of Fair Campaign Practices is to give voters guidelines in determining fair play and to encourage candidate to discuss issues instead of untruths or distortions.

The elections official shall inform each candidate for public office that subscription to the code is VOLUNTARY.

In the case of a committee making an independent expenditure, as defined in Section 82031 of the Government Code, the Secretary of State shall provide a blank form and a copy of this chapter to the individual filing, in accordance with Title 9 (commencing with Section 81000) of the Government Code, an initial campaign statement on behalf of the committee.

20441. The Secretary of State shall print, or cause to be printed, blank forms of the code. The Secretary of State shall supply the forms to elections officials in quantities and at times requested by the elections officials.

CAMPAIGN DISCLOSURE REQUIREMENTS OFTEN OVERLOOKED

BE INFORMED: The Franchise Tax Board is authorized under Section 90001 of the Government Code to audit Campaign Disclosure Statements. The audit can include tests of the accounting records and other such auditing procedures.

The purpose of campaign disclosure is to provide the public with the identity of contributors and the amounts they give, as well as the amount officeholders, candidates and committees spend. The laws passed to enforce that purpose can be challenging for the unwary, therefore some often overlooked requirements, some identified in audit reports, are provided here:

- Unopposed candidates are subject to provisions of the Political Reform Act (GC 82007).
- Prior to soliciting or receiving any contribution (including a loan), all elected officeholders and all candidates must file a Form 501.
- Contributions include **PERSONAL FUNDS** and are subject to the same disclosure requirements.
- Statement of Organization (Form 410) must be filed within 10 days by any person who receives contributions totaling \$2,000 or more during a calendar year.
- Officeholders and candidates who receive contributions or make expenditures must establish a campaign checking account in California and report it on a Form 410.
- Loans to a candidate are considered contributions unless the loan is from a financial institution.
- Filing fees and candidate statement fees may be paid in cash if the candidate is using personal funds and will not be reimbursed through the committee (GC85200). Otherwise, campaign disclosure laws requires that expenditures of \$100 or more be made by written instrument containing the names of both the payee and payer. (GC 84300)
- Never accept or spend \$100 or more in cash.
- For contributions of \$100 or more, including loans, and in-kind contributions, you must disclose the contributor's name, address, occupation and employer. Contributions of \$100 or more may not be made in the form of a money order or cashier's check. Contributions may continue to be made with a credit card. (GC 84300)
- Maintain details on contributions and expenditures of \$25 or more, even if you are spending less than \$1,000.
- Make copies of all contributor checks.
- Candidates must disclose employer information for all contributors and keep records of occupation and employer information.
- **NO PERSONAL USE OF CAMPAIGN FUNDS.** Use campaign funds only for political, legislative or governmental purposes.
- The source of each loan must be disclosed.
- All expenditures of \$100 or more must be itemized on the campaign statements, and then summarized on the Campaign Disclosure Statement summary page.
- As long as the committee is in existence, a Semi-Annual Campaign Statement must be filed. If the candidate has filed a long form (460) previously in the calendar year, a 460 must also be filed as the Semi-annual Statement even if there is no activity.
- Payee addresses must be disclosed on the campaign statements for expenditures made.
- If the committee changes its treasurer, an amendment to the Form 410 must be filed.
- If \$1,000 or more (\$500 or more for local county candidates) is received from one contributor during the last 16 days before the election, disclose receipt within 24 hours, even if the contribution is from your personal funds.
