Initiative and Referendum Qualification Requirements
November 3, 2020, General Election

Initiative

The initiative process is the power of the people to place laws and constitutional amendments on the ballot. These measures can either create or change laws (including general obligation bonds) or amend the California Constitution. If the initiative proposes to create or change California law, the proponent(s) must gather petition signatures of registered voters equal to 5% of the total votes cast for Governor in the most recent gubernatorial election. If the initiative proposes to amend the California Constitution, the signature requirement is 8% of the total votes cast for Governor in the most recent gubernatorial election. A qualified initiative is placed on the ballot for a regularly scheduled statewide general election that occurs at least 131 days after the measure qualifies or for a special election called by the Governor.

To be enacted, an initiative measure requires a simple majority of the total votes cast. A “yes” vote approves and a “no” vote rejects a proposed law or constitutional amendment placed on the ballot through the initiative process.

Based on the number of votes cast for the office of Governor at the 2018 General Election, the number of signatures required is as follows:

| Initiative Statute: 623,212 (5% of 12,464,235) | Cal. Const., art. II, § 8(b); § 9035 |
| Initiative Constitutional Amendment: 997,139 (8% of 12,464,235) | Cal. Const., art. II, § 8(b); § 9035 |

Referendum

The referendum process is the power of the people to approve or reject laws already adopted by the Legislature. However, this does not apply to laws that have urgency clauses, call for elections, or provide for tax levies or appropriations for current expenses of the state. Proponent(s) wishing to prevent a legislatively adopted law from taking effect must, within 90 days of enactment of the legislation, gather signatures of registered voters equal to 5% of the total votes cast for Governor in the most recent gubernatorial election. A qualified referendum is placed on the ballot for a regularly scheduled statewide general election that occurs at least 31 days after the measure qualifies or for a special election called by the Governor.

A “yes” vote approves a law previously adopted by the Legislature and allows it to take effect. A “no” vote rejects the law previously adopted by the Legislature and prevents it from taking effect.

Based on the number of votes cast for the office of Governor at the 2018 General Election, the number of signatures required is as follows:

| Referendum Measure: 623,212 (5% of 12,464,235) | Cal. Const., art. II, § 9(b) |

Political Party Qualification
Process, Requirements, and History
March 3, 2020, Presidential Primary Election
November 3, 2020, General Election

The method by which political parties gain, and retain, qualified status in California is prescribed in Elections Code sections 5000-5200.

In order to achieve initial qualified status, thereby allowing a political party to participate in the next primary election or the next presidential general election, a proposed political party must:

1. Hold a caucus or convention to elect temporary officers and designate a party name; § 5001(a)

2. File a formal notice with the Secretary of State that the political body has organized, elected temporary officers, and declared an intent to qualify as a political party pursuant to either Elections Code section 5100 or 5151, but not both. This notice must include the names and addresses of the temporary officers of the political body; § 5001(b)

3. Use one of two methods to qualify as a political party: voter registration or petition. §§ 5100, 5151

Voter Registration
To qualify a new political party by voter registration requires that voters equal in number to at least 0.33 percent of the total number of voters registered on October 1, 2019 (E-154) (if intending to qualify to participate in the Presidential Primary Election) or on July 3, 2020 (E-123) (if intending to qualify to participate in the General Election) complete an affidavit of registration, disclosing a political preference by writing in the name of the political body intending to qualify as a political party. §§ 5100(b), 5151(c)

These completed affidavits of registration must be submitted to the county elections officials by October 1, 2019 (E-154) (if intending to qualify to participate in the Presidential Primary Election) or by July 3, 2020 (E-123) (if intending to qualify to participate in the General Election). The completed affidavits of registration should be submitted to the elections official in the counties of the voters' residences. They may be submitted to the Secretary of State's office, although this will result in delays in the counties' receipt of the affidavits. § 2187(c)(1), § 2187(c)(4)

The Secretary of State must determine, from examining and totaling the reports of registration from the counties, that the political body obtained voter registrations equal in number to at least 0.33 percent of the total number of voters registered on October 1, 2019 (the 154th day before the Presidential Primary Election) or July 3, 2020 (the 123rd day before the General Election). §§ 5100(b), 5151(c)

Petition
To qualify a new political party by petition, petitions must be submitted to the Secretary of State no later than October 20, 2019** (the 135th day before the Presidential Primary Election) or June 21, 2020** (the 135th day before the General Election). The Secretary of State must determine if a political body intending to qualify collected 1,271,255 (10% of 12,712,542 votes cast at the last

**Date falls on a weekend or state holiday; it moves forward to the next business day.
