PREFACE

This guide has been prepared to assist voters in the Initiative and Referendum process. It contains a summary of procedures for preparing and qualifying County or Special District Initiatives and Referenda.

This guide contains general information and makes reference to the appropriate California Elections Code. It does not have the force and effect of law, regulation, or rule. In case of conflict, the law, regulation, or rule will apply.

Anyone contemplating either process should seek legal counsel, who is familiar with local government, for wording or any legal questions.

If the Initiative or Referendum concerns a city, it is recommended you contact the City Clerk's office for the city in which you wish to introduce the Initiative or Referendum. Please see Appendix A for a list of City Clerk contact information obtained at the time this Guide was prepared.

CHAPTER I

GENERAL INFORMATION

Initiatives

An Initiative is the power of the electors to propose a new ordinance by which they will be governed. An Initiative is placed on the ballot after its proponents have successfully met a series of deadlines.

Referenda

A Referendum is the submission of an ordinance, proposed or already in effect, to a direct vote of the people. By using referendum powers, the legislative board of a jurisdiction (e.g., Board of Supervisors, Board of Directors, etc.) may ask registered voters to decide on the enactment, repeal, or amendment of any ordinance. Additionally, voters may independently circulate a petition protesting the adoption of an ordinance and request that the issue be put up for a popular vote.

Petitions Not Public Record

Pursuant to California Government Code § 7924.110, petitions and all memoranda prepared by the County Elections Official in the examination of the petitions indicating which registered voters have signed particular petitions shall not be deemed to be public records and shall not be open to inspection except by the public officer or public employees who has the duty of receiving, examining, or preserving the petitions, or who are responsible for the preparation of that memoranda and, if the petition is found to be insufficient, by the proponents of the petition and the representative of the proponent as may be designated by the proponent in writing, in order to determine which signatures were disqualified and the reasons therefore.

However, the Attorney General, the Secretary of State, the Fair Political Practices Commission, a District Attorney, a city attorney, a school district attorney, or a community college district attorney shall be permitted to examine the materials upon approval of the appropriate superior court.

If the proponent of a petition is permitted to examine the petition and memoranda, the examination shall commence not later than 21 days after certification of insufficiency, and the County Elections Official shall retain the documents as prescribed in § 17200 of the California Elections Code.

As used in this section, "petition" shall mean any petition to which a registered voter has affixed his or her signature. (California Government Code § 7924.100)

Pursuant to California Government Code § 7924.105, as used in this section, "proponents of the petition" means the following:

- (a) For a statewide initiative or referendum measure, the person who submits a draft of a petition proposing the measure to the Attorney General with a request that the Attorney General prepare a title and summary of the chief purpose and points of the proposed measure.
- (b) For other initiative and referendum measures, the person who publishes a notice of intention to circulate a petition, or, where publication is not required, who files the petition with the Elections Official.
- (c) For a recall measure, the person defined in § 343 of the California Elections Code.
- (d) For a petition circulated pursuant to § 5091 of the Education Code, the person having charge of the petition who submits the petition to the county superintendent of schools.
- (e) For a petition circulated pursuant to Article 1 (commencing with § 35700) of Chapter 4 of Part 21 of the Education Code, the person designated as chief petitioner under § 35701 of the Education Code.
- (f) For a petition circulated pursuant to Part 46 (commencing with § 74000) of Division of Title 3 of the Education Code, the person designated as chief petitioners under § 74102, § 74133, and § 74152 of the Education Code.

CHAPTER II

INITIATIVES

Overview of County Initiatives

Any proposed ordinance may be submitted to the Board of Supervisors by filing an initiative petition with the County Elections Official, signed by not less than one but not more than five proponents of the petition. (California Elections Code § 9101)

Notice of Intention

The notice shall include the names and business or residence addresses of at least one but not more than five proponents of the petition and shall be accompanied by the written text of the initiative and a request that a ballot title and summary be prepared. (California Elections Code § 9103)

In addition to the names and business or residence address of the proponents, the notice of intention shall also contain the signatures of the proponents. The notice of intention may also include a printed statement, not exceeding 500 words in length, stating the reasons for the proposed petition. The notice shall be in substantially the following form:

(California Elections Code § 9103(b))

Within 15 days after the proposed measure is filed, the county counsel shall provide and return to the County Elections Official a ballot title and summary for the proposed measure. The ballot title may differ from any other title of the proposed measure and shall express in 500 words or less the

purpose of the proposed measure. In providing the ballot title, the county counsel shall give a true and impartial statement of the purpose of the proposed measure in such language that the ballot title shall neither be an argument, nor be likely to create prejudice, for or against the proposed measure. (California Elections Code § 9105(a))

Publication of the Notice of Intention

The County Elections Official shall furnish a copy of the ballot title and summary to the proponents of the proposed measure. The proponents shall, prior to the circulation of the petition, publish the notice of intention, and the ballot title and summary of the proposed measure in a newspaper of general circulation published in the county, and file proof of publication with the County Elections Official. (California Elections Code § 9105(b))

(California Elections Code § 9300)

Initiative powers for county water districts, county drainage districts, and community services districts are to be exercised in accordance with the procedure established by law for the exercise of those powers in relation to counties. Preprinted dates, or generalized dates other than the particular range of dates on which the petition section was circulated, are not authorized. (California Elections Code § 104)

CHAPTER V

PETITION CIRCULATION AND FILING; SIGNATURE VERIFICATION

A person who is 18 years of age or older may circulate an initiative or referendum petition. (California Elections Code § 102)

Time Period for Securing Signatures

Signatures shall be secured and the petition shall be presented to the County Elections Official for filing within 180 days from the date of receipt of the title and summary, or after termination of any action for a writ of mandate, pursuant to California Elections Code 9106 and, if applicable, after receipt of an amended title or summary or both, whichever occurs later. (California Elections Code § 9110)

During the circulation of the petition or before taking any action to either submit the initiative to the voters or enact the ordinance, the Board of Supervisors may refer the proposed initiative to any county agency or agencies for a report on its effect and fiscal impact. The report shall be presented to the Board of Supervisors no later than 30 days after certification of the petition's sufficiency by the County Elections Official to the Board of Supervisors. (California Elections Code § 9111)

Filing the Petition

The petition shall be filed by the proponents, or by any person or persons authorized in writing by the proponents. All sections of the petition shall be filed at one time. Any sections of the petition not so filed shall be void for all purposes. Once filed, no petition section shall be amended except by order of a court of competent jurisdiction.

When the petition is filed, the County Elections Official shall determine the total number of signatures affixed to the petition. If, from this examination, the County Elections Official determines that the number of signatures, prima facie, equals or is in excess of the minimum number of signatures required, the County Elections Official shall examine the petition in accordance with California Elections Code § 9114 or 9115. If, from this examination, the County Elections Official determines that the number of signatures, prima facie, does not equal or exceed the minimum number of signatures required, no further action shall be taken. (California Elections Code § 9113)

District Initiative Petition Circulation

After filing a copy of the notice of intention, statement of the reasons for the proposed petition, written text of the initiative, and affidavit of publication or posting with the District Elections Official pursuant to California Elections Code § 9304, the petition may be circulated among the voters of the district for signatures by any person who meets the requirements of California Elections Code § 102. Each section of the petition shall bear a copy of the notice of intention and statement. (California Elections Code § 9305)

Filing of Petition

Signatures upon petitions and sections thereof shall be secured, and the petition, together with all sections thereof, shall be filed within 180 days from the date of publication of the notice of intention and statement. Filing is with the District Elections Official. If the petitions are not filed within the time permitted, the petition and its sections shall be void for all purposes. (California Elections Code § 9306)

Referenda Petition Circulation and Filing

Referenda petition circulation and filing shall be governed in accordance with the laws for initiatives. (California Elections Code § 9146)

Signature Verification Process for All Petitions

Examination of Signatures, Random Sample

- (a) Within 30 days from the filing of the petition, excluding Saturdays, Sundays, and holidays, if, from the examination of signatures, pursuant to California Elections Code § 9114 and § 9308, more than 500 signatures have been signed on the petition, the Elections Official may use a random sampling technique for verification of signatures. The random sample of signatures to be verified shall be drawn in such a manner that every signature filed with the Elections Official shall be given an equal opportunity to be included in the sample. A random sampling shall include an examination of at least 500 or 3 percent of the signatures, whichever is greater. A signature shall not be invalidated because of a variation of the signature caused by the substitution of initials for the first or middle name, or both, of the person signing the petition.
- (b) If the statistical sampling shows that the number of valid signatures is within 95 to 110 percent of the number of signatures of qualified voters needed to declare the petition sufficient, the District Elections Official, within 60 days from the date of filing the petition, excluding Saturdays, Sundays, and holidays, shall examine and verify each signature filed.
- (c) In determining from the records of registration, what number of valid signatures are signed on the petition, the District Elections Official may check the signatures against

facsimiles of voters' signatures, provided that the method of preparing and displaying the facsimiles complies with law.

- (d) The District Elections Official shall attach to the petition, a certificate showing the results of this examination, and shall notify the proponents of either the sufficiency or insufficiency of the petition.
- (e) If the petition is found insufficient, no action shall be taken on the petition. However, failure to secure sufficient signatures shall not preclude the filing later of an entirely new petition to the same effect.
- (f) If the petition is found to be sufficient, the District Elections Official shall certify the results of the examination to the governing body of the district at the next regular meeting of the board. (California Elections Code § 9115, § 9309)

- (a) Except as provided in California Elections Code § 9115 and § 9309, within 30 days from the date of filing the petition, excluding Saturdays, Sundays, and holidays, the Elections Official shall examine the petition, and from the records of registration ascertain whether the petition is signed by the requisite number of voters. A certificate showing the results of this examination shall be attached to the petition.
- (b) In determining the number of valid signatures, the Elections Official may check the signatures against facsimiles of voters' signatures, provided that the method of preparing and displaying the facsimiles complies with law. A signature shall not be invalidated because of a variation of the signature caused by the substitution of initials for the first or middle name, or both, of the person signing.
- (c) The Elections Official shall notify the proponents of the petition as to the sufficiency or insufficiency of the petition.
- (d) If the petition is found insufficient, no further action shall be taken. However, the failure to secure sufficient signatures, shall not preclude the filing of a new petition on the same subject, at a later date.
- (e) If the petition is found sufficient, the Elections Official shall certify the results to the governing body of the district at the next regular meeting of the board. (California Elections Code § 9114, § 9308)
