8AM TO 8PM**

---

**A message from Dr. Angel Reyna**

**“We are proud to be serving our community as a Ballot Drop Box location for the upcoming election,” said Dr. Ángel Reyna, President of Madera Community College. “With record enrollment at our college and with the increased traffic volume we see on Avenue 12 each day, our campus is a convenient location for the thousands of Madera County residents that drive by on a daily basis. We will have dedicated parking spaces reserved for voters who come to drop off their ballots, ensuring a fast and easy experience for voters. Whether you’re a student on campus, you live nearby, or you drive by our campus each day – we look forward to welcoming voters to our college this fall and appreciate the Madera County Registrar’s Office for allowing us to serve our community during this election season.”**
